Voices of Hope fundraising efforts benefit the Termeer Center for Targeted Therapies at The Massachusetts General Hospital Cancer Center.

Led by Keith T. Flaherty, MD, a renowned expert in personalized cancer medicine and melanoma specialist, the Termeer Center offers a comprehensive translational research program to speed the discovery and delivery of new targeted therapies to patients with early and advanced stage cancers.

The Termeer Center’s goal is to cut the average time for drug development from ten years to five, and with more clinical trials, improve access to therapy for patients.

With hundreds of new anti-cancer therapies now in the development pipeline and countless patients waiting for targeted drugs that match their individual tumors, the Termeer Center’s work is vital and timely.

Voices of Hope is proud to have been recognized for our dedicated efforts in the fight against cancer:

- MGH “the one hundred” honoree
- Myra Kraft Community MVP Award recipient

Voices of Hope is a 501(c)(3) non-profit organization and all donations are tax deductible to the fullest extent of the law. EIN: 27-4620672

Raising Funds for Cancer Research through Musical Performance

Through song, we celebrate those we love, remember those we have lost, honor those who fight, and rejoice for those who survive.

With music as our voice, we raise awareness and funds to support research and create the hope of finding a cure for generations to come.

Ordinary People on an Extraordinary Mission

VOICESOFHOPEBOSTON.ORG
Voices of Hope is an all volunteer non-profit organization comprised of more than 150 individuals from Greater Boston who donate their time and creative talents to raise awareness and funds for cancer research.

“Congratulations all the members of VOH on what you were able to achieve! Our common cause has been strengthened in a way you cannot measure.”

—Belinda Termeer

Why We Perform

Founded by local performer Greg Chastain in honor of his mother, who lost her battle with cancer in 2009, the inspirational performers in Voices of Hope are bound by a vital connection; each of their lives has been affected in some way by cancer.

Having found a performance home at the beautiful North Shore Music Theatre in Beverly, MA, VOH produces two major productions each year, a Broadway musical in the spring (past shows include Jesus Christ Superstar and Fiddler on the Roof) and a musical gala in the fall.

In addition, VOH has been selected to sing the National Anthem for numerous professional sporting events including the Patriots, Celtics, and Red Sox, and have been seen at such venues as:

The Hatch Shell (for ACS Making Strides Walk)
Cancer Garden of Hope (for Conquer Cancer Coalition)
Shalin Lui Theater, Rockport
Symphony Hall, Boston
Jordan Hall, Boston

Visit our website for dates and details of all our upcoming performances.

How You Can Help

VOH depends on your generous donations to provide support to cancer research and to help defray the cost of our musical productions and events.

In 2016, VOH passed the HALF MILLION dollar mark in DONATIONS, and are now on a MARCH TO A MILLION!

Donations of any size make a difference.

Personal Donations honor the memory or celebrate the recovery of a loved one.

Business Ads in programs, Corporate Sponsorships and Grants provide critical support for our events while promoting your business.

Retain our group to provide musical entertainment for your function, such as corporate and holiday events . . . and more.

VOH is more than just music. Participate in one of our sporting events: Golf Tournament, Tennis Tournament or Road Race.
